关于我们 · 真正懂"两边"的团队

CP Marketing is an international team that bridges Chinese manufacturers and the export markets of Türkiye, the Middle East and Europe. We are based in China, with strong ties to Türkiye — and we work in English, Chinese and Turkish, so your products speak directly to the buyers you want to reach.

CP Marketing 是一支国际化团队，连接中国制造商与土耳其、中东和欧洲的出口市场。我们立足中国，与土耳其有着紧密联系，团队精通中、英、土三种语言，让您的产品直接打动目标买家。

Most factories make excellent products but stay invisible to overseas buyers — wrong language, no export website, no way to be found. We fix exactly that: we make your factory **findable**, credible, and ready to sell abroad.

很多工厂产品过硬，却因语言不通、没有外贸网站、无法被搜索到，而对海外买家"隐形"。我们正是解决这一问题：让您的工厂被找到、被信任，并真正具备出口能力。
